- 1 The sailing dates are as accurate as possible at the time of publication but are subject to variation due to weather and/or sea conditions and other factors. To minimize any inconvenience, as much notice as possible about a change to the "Sailing Schedule" will be given.
- 2 For Full Container Load (FCL) bookings, please contact Adam Zentner – adam@zentnershipping.com.au or Philip Raston – philip@zentnershipping.com.au.
- 3 All goods shipped are subject to Zentner Shipping Pty Ltd "Standard Shipping Terms and Conditions" and those of the carriers Bill of Loading – copy available upon request.
- 4 Weight to Cubic Conversion of 600kg = 1.00m3 for container applies; reference "Section 4" of the "Standard Shipping Terms and Conditions".
- 5 It is the responsibility of the Consignee to insure any cargo for whatever reason is necessary during shipment of goods to/from the Islands.
- 6 Please deliver cargo by the advertised Close Off Date to allow time for the cargo to be packed and to meet wharf Cut Offs, any cargo delivered after the Close Off Date may be held over for the following voyage. Note – there are two Cut Off dates depending on the cargo type; please contact our office if you need further advice on Cut Off Dates.
- 7 Bunker Adjustment Factor (BAF) - From BK2106, a BAF was introduced to cover the rise in the cost of the ship's fuel. Please see the Notices section on our website.
